WHO MAY PLAY: To ensure more players we would allow each FENG member to invite one guest who may be a member of their executive team, a direct subordinate who may become a FENG member, or a prospective FENG member. Guests do not have to play on the same team but may

SHAMBLES RULES:

Players are grouped in fours by team based upon overall team handicaps which are provided at sign up time. If no handicap is available, a 30 will be provided. Each player hits a drive off the tee and the best option is taken where the players then hit their ball in to the hole from the drive chosen. The top two players' scores, net of handicap, are taken per hole. Traditionally a team producing 40 under or so could win the tournament with most teams in play to win through the end of the rounds. Each player must use at least two drives during 18 holes.
